Kelowna, British Columbia, Thursday, August 11th, 1921

NUMBER 51

## FIFTEENTH REGATTA A GREAT SUCCESS

**PRESENCE OF MANY COMPETITORS FROM OUTSIDE POINTS  
ADDS ZEST TO EVENTS—VANCOUVER MAN CARRIES OFF  
CHAMPIONSHIP BUT KELOWNA CAPTURES THE  
FOURS**

With the excellent programme carried out yesterday and today, a very successful Regatta has been added to its fourteen predecessors. Keenness was imparted to the competitors by the presence of many contestants from outside points, including thirteen from Vancouver, seven from Nelson, about fifty from Penikese and a few from Vernon and other points. These athletes gave the local mermen and mermaids a busy time of it and succeeded in carrying off the championship of the Regatta to Vancouver, a victory which no one grudged to T. Taylor, the splendid all-round sportsman and good fellow, who won it. As consolation, Kelowna secured a great triumph in winning the four-oared shells against the Vancouver crew, three of whom were in the crew that won the International junior event at Vancouver recently. It may be mentioned that Taylor was a winner in the Doubles at Vancouver and was one of the winning fours at the same regatta, which shows his formidable quality as a competitor.

The Vancouver visitors, among whom were included Mr. R. P. Woodward, President of the Vancouver Rowing Club, expressed much satisfaction with the quality of the swimming and diving shown here, especially amongst the juniors, and they were so pleased with their experience that there is no doubt they will repeat their visit next year.

Conditions were ideal on Wednesday. The sun shone all day but the heat was tempered by a gentle breeze, and the pleasant weather attracted a larger crowd than is customary on the first day. Thursday morning was equally fine, but the sky became overcast at noon and a heavy squall blew up from the south at 2.30. The water became so rough that it was necessary to suspend the events for nearly an hour. After the squall passed the sky cleared and conditions again became very pleasant, so that although behind schedule, the remaining events were run off without further trouble. The last being decided about 7 p.m.

The attendance this afternoon was very good, the grand stand being filled to capacity, and the receipts show a satisfactory increase over last year.

The City Band performed on the grand stand on both afternoons and also gave concerts in the Park, and their music was enjoyed by the spectators.

The Regatta officials were as follows: Committee: J. F. Burne (chairman), H. S. Atkinson, St. G. P. Baldwin, W. S. Boucher, R. Burchett, A. P. Charlot, W. M. Crawford, D. W. Crowley, A. Edwards, H. B. Everard, W. R. Foster, A. J. Jones, F. B. Knowles, W. J. Mandle, G. A. Meikle, A. G. McCosh, W. C. Renfrew and R. Whillis. Regatta Superintendent: A. Edwards. Starters: Boats—H. C. S. Collett, E. Dart, H. B. Everard and G. E. Seay. Swimming: E. C. Weddell and R. Whillis. Announcers: H. S. Atkinson and A. B. Raymond. Judges: J. F. Burne, A. Edwards, Brig-Gen. A. R. Harman, H. A. Heggie, G. A. Henderson, J. W. Jones, M.L.A., J. C. MacDonald, J. A. MacKelvie, M.P., F. W. Peters, W. C. Renfrew, A. W. L. Townsend, Mayor Sutherland, W. D. Walker and R. P. Woodward. Umpire: Edwin Weddell. Secretary: H. G. M. Wilson.

While deeply grateful to all those who gave most valuable help during the two days, the Committee desires especially to thank Major MacDonald for his invaluable work in laying off the various courses and making a permanent chart of them for future reference.

### Wednesday Events

Single Sculls: heats: distance, 1/4 mile. First Heat: 1. Wood, Vancouver; K. R. Robertson, G. Day had a good lead but failed to cross the finish line owing to a misunderstanding as to the buoy in front of the judges' stand, and he was allowed to enter the second heat, which he won easily, with T. Taylor, Vancouver, second. Four rowed in each heat.

30 yards Swim: boys under 14. Five competed. 1. photo album, H. Cunningham; 2. fishing reel, G. Haug; 3. 50 yards Swim: girls under 15. C. music roll, Miss M. Millie; 2. beads, Miss B. Dowling. Three swam.

30 yards Swim: boys under 12. 1. magic set, Henry Murdoch, by about 8 feet; 2. compass, Joe Atherton. Four entries.

30 yards Swim: girls under 13. 1. bathing suit, Miss Barbara Dowling; 2. sports shoes, Miss Margaret Burch. Won by about 10 feet. Three swam.

Ladies' Diving: spring-board and 10 ft. standing. 1. go-getter waist, Miss Blanche Harvey; 2. parasol, Miss Woodward, Vancouver. Three competed.

ing. 1. Kodak, H. McCarthy; 2. fishing rod, H. Cunningham. Eight competed, including plucky little "Bunty" Roberts, six years old.

Back Stroke Swimming: free style. 1. gold pencil, D'Arcy Hinkson; 2. silver, W. R. Foster. Won by about 8 feet.

Mixed Four-Oar Shells: first heat, 1. A. de Puyffer, M. de Puyffer, Miss A. de Puyffer and Miss Dorothea Buck. Won by three lengths from L. Day, C. DeMara, Miss M. Leckie and Miss Packham.

Spring-board and 10 and 15 ft. standing. 1. rifle, E. Williams; 2. three books, H. McCarthy; 3. H. Mantle. Seven competed, including three Vancouver boys, none of whom got into the prize list.

Men's Single Canoes. 1. pr. silk goods, 1. Taylor, Vancouver; 2. tobacco pouch, R. Watt; 3. A. Edwards. A very close race between first and second. Three entries.

Ladies' 60 yards Handicap Swim: open to members of Kelowna Aquatic Association. K.A.A. Challenge Cup. 1. Cup and pr. pumps, Miss S. Mackenzie; 2. box of chocolates, Miss J. Hayman. Seven swam. The handicapping was good and the finish was close.

Mixed Four-Oared Shells: second heat. 1. R. Parkinson, C. Ootmar, Miss B. Buck and Miss M. Burne. Won from J. S. Boucher, K. R. Robertson, Miss D. Leckie and Mrs. H. Burne. A good race, the winning crew overcoming an adverse lead during the first part of the course.

Men's Breast Stroke. 1. bathing suit, W. R. Foster; 2. pr. of gloves, W. Campbell, Vancouver. A close finish, with the first three bunched together. Four entries.

Ladies' 300 yards Open Swim. 1. pr. pumps, Miss J. Hayman; 2. box of chocolates, Miss M. Small. One of the best of the swimming races, the margin between first and second being in inches. Eight entries.

Boys' 300 yards Swim: under 16. 1. shotgun, L. Stokes, Vancouver; 2. tennis racket, C. McMillan. A procession, all being strung out at wide intervals at the finish, the winner coming about 50 feet ahead. Four swam.

Members' 60 yards Handicap Swim: K.A.A. Challenge Cup. 1. Cup and set of carvers, B. Davis; 2. shirt, W. R. Foster. Won by a foot or two. Seven entries.

Heat Race: heats. First Heat: 1. Taylor, Vancouver. Second Heat: 1. R. Watt. Third Heat: 1. R. Seath. This item provided the usual amount of amusement, what with collisions and upsets.

Men's 300 yards Open Swim. 1. dressing gown, J. Weatherly; 2. reading lamp, O. V. Maude-Roxby. Won by Weatherly, who is a very promising young swimmer. Six entries.

Canoe Tilting: Heats. Whillis and Weir beat Leckie and Clark. Seath and Watt beat McDougall and Burch. Day and Robertson beat C. Weddell and Hinkson. Cunningham and Aitken beat E. C. Weddell and P. Taylor. DaMoutin and Groves beat R. Parkinson and W. Day. There were a number of good bouts, some of them prolonged, and plenty of amusement was afforded.

Men's Double Sculls: heats. First Heat: 1. T. Taylor, Vancouver, and G. F. Mackay, Vancouver. Second Heat: 1. R. Parkinson and R. Robertson. Three boats raced in each heat.

Diving for Plates: two dives. 1. cut-glass dish, H. Mantle, 12 and 13; 2. thermos bottle, T. Taylor, Vancouver, 12 and 10; 3. L. Stokes, Vancouver, 13 and 7.

### Thursday Events

Single Sculls: final. 1. Leeson-Dickie-Gross Cup and travelling, G. Day; 2. motor rug, K. R. Robertson. Won by several lengths.

Girls' 50 yards Swim: under 15. 1. photo album, Miss J. Hayman; 2. bon-bon dish, Miss Bessie Anderson. Won by about 7 feet. Four raced.

Boys' 50 yards Swim: under 16. 1. handily bag, L. Stokes, Vancouver; 2. safety razor, H. Cunningham. A good race with eight swimming.

Ladies' 50 yards Open Swim. 1. silk sweater, Miss M. Small; 2. pr. silk hose, Miss J. Hayman. A pretty race between the leaders, Miss Small, who was a very graceful stroke, winning by about 6 feet. Four entries.

Mixed Double Sculls. 1. glass in-laid tray and picture, K. R. Robertson and Miss M. Burne; 2. electric light fixture and box of chocolates, T. W. C. Taylor and Miss Ethel Burne. All three boats were bunched throughout and the finish was very close, barely half a length between second and third.

### Gasoline Launch Handicap

1. steamer rug, C. G. Buck. Seven launches raced, being an increase of three over last year. They were of all sizes, shapes and speeds. "Icannopit," of Okanagan Landing, arrived first over the finish by a long margin over "Otter," the second boat, but both the launches were disqualified, apparently on beating their handicap time, and the race was awarded to Mr. Buck's boat.

## RUTLAND

Mr. and Mrs. N. B. Runnells left on Wednesday for their new home in Edmonton. Their orchard here has been rented to Mr. and Mrs. Garthorne, formerly of Seattle.

It is unfortunate that a second break-out should occur at this critical time on the Black Mountain Irrigation District's system, this time on the old Rutland ditch. The break caused considerable damage to property in the Hollywood "suburb."

At the solicitation of Mr. Shepherd, the provincial bee expert, Capt. J. F. Roberts has consented to demonstrate to any bee-keepers who may be interested, the construction and use of a new type of hive known as the "Kootenay Case," which is an all-year-round hive, dispensing with the old methods of storing or packing bees during the winter months. Capt. Roberts has used this type of hive in his apiary at Wallachin with eminent success, and will be pleased to explain at any time, to persons interested, the advantages of this new hive.

Owing to the inability of the majority of the baseball team to take the necessary time off, the trip to Peachland had to be postponed. They hope to make the journey on Labour Day, however, if possible.

We regret that owing to lack of time we were unable to give an account in last week's issue of the Scout Camp, which broke up on August 2nd. However, a detailed account will be found in another column of this issue.

The meeting on Tuesday evening, in the Packing House, to hear Mayor Sutherland and Mr. J. W. Jones, M.L.A., explain the Kootenay Power Co.'s scheme to supply electricity to the District, was fairly well attended. Various schemes for the utilization of this power are under consideration. Why not a municipality here and let us run our own plant, purchasing power from the Kootenay Co.? Mr. Willis Schull occupied the chair, or, to be more correct, the orchard box!

Mr. and Mrs. DeGraf of Stavely, Alta., are visiting Mr. and Mrs. J. Collings.

## DOMINION POLICE RAID LOCAL OPIUM DENS

**Two Chinamen Go to Prison in Lieu of Fine**

Sergt. Ferguson and Corp. Longley, two plain clothes men of the R.C.M.P., made a raid on the local Chinatown last week and caught a number of opium users in possession of the drug. As the result, Oyang Sing appeared before Magistrate Weddell on Friday, pleaded guilty to a charge of possession of opium, and was fined \$200 and costs, which he paid. An Nien and Shen Sing also pleaded guilty and were fined a similar amount each. They were unable or refused to pay the penalty and were accordingly sent to Okalla for three months. Wong Bat pleaded not guilty, and the case against him failed. Wong Wing, who was charged with the lesser offence of being a frequenter of an opium joint, admitted his guilt and was fined \$25 and costs.

The detectives took to Pentikton the two men committed to Okalla and on their return made another raid, this time landing a long Jim in their net. He appeared before Magistrate Weddell on Monday on a charge of possession. He pleaded not guilty, but was convicted and fined \$300 and costs. He paid.

The Dominion gets all these fines, which the City might have had if it had a "misuse" policy, but has not been adopted of leaving the Chinatown to their own devices as regards their pet vices of gambling and opium smoking.

Long Distance Plunge. 1. cut-glass dish, J. F. Burne, 48 ft. 4 ins. and 52 ft. 6 1/2 ins.; 2. pipe and pouch, W. R. Foster, 45 ft. 4 1/2 ins. and 50 ft. 5 ins. Eight competed. The victory of the veteran winner was a popular one.

Mixed Double Canoes: heats. First Heat: 1. R. Leckie and Miss D. Leckie; 2. A. Edwards and Miss Raymer. Second Heat: 1. R. Watt and Miss Packham; 2. T. Taylor and Miss Woodward, both of Vancouver. Three raced in each heat. The first heat was won by one and a half lengths and the second by a foot or two.

Cock Fighting. 1. safety razor, J. Packham; 2. pen knife, R. Weeks. The combats took place upon a canvas covered raft about five feet square, and the contestants had to truss themselves in the approved manner and bunt each other until one landed in the water.

### Water Polo

The water polo game between Pentikton and Kelowna was hard fought. Pentikton pressed very hard during the first hour but met with stubborn defence, especially from W. R. Foster, the Kelowna captain, who played half-back. Kelowna got an occasional chance to try out the mettle of the Pentikton goal-keeper, and good saves

(Continued on Page 8)

## KELOWNA DEDICATES HER WAR MEMORIAL

**Large Concourse Gathers in the City Park to Do Honour to the Memory of the Fallen**

Under the pitiless heat of a blazing August sun and in the presence of possibly the largest gathering ever brought together in Kelowna for a public purpose, the War Memorial erected to the glory of God and the memory of the gallant men of Kelowna who laid down their lives for their country in the Great War was dedicated with fitting ceremony on Sunday afternoon.

Spectators began to gather in the Park shortly after 3 o'clock and long before the service began they were clustering thickly round the site of the monument between the band-stand and the lake shore. They lined the esplanade and occupied the greenward, taking advantage of every bit of shade, and they followed the details of the ceremony with close attention and reverence.

At 3.20 a parade was formed outside the G.W.V.A. Club on Ellis Street. First came the City Band, then a guard of honour twenty strong, all in war-time khaki with rifles and sidearms, under command of Lieut. W. Shugg, M.M., next the veterans, comprising members of the G.W.V.A. and others, marshalled by S.M. Peters. The veterans mustered about seventy strong at the outset, but were joined by others on the line of march and in the Park until the aggregate attendance was about a hundred and twenty.

About a third of the veterans who paraded were in uniform, and the line of march was formed in column of fours with the uniformed men leading. Behind came the Women's Auxiliary of the G.W.V.A. and the Jack McMillan Chapter of the Imperial Order of the Daughters of the Empire. Marching with old-time military precision to the strains of a quick-step by the band, the procession was joined on reaching Bernard Avenue by the Kelowna Company of Cadets, who paraded with rifles and carried themselves creditably, under command of Capt. E. A. Milnes Townsend.

Reaching the City Park, the procession, with Chief of Police Thomas leading the way, marched between serried ranks of spectators to the monument, where the Boy Scouts, under Scout Master E. C. Weddell, had taken up position. The Scouts made a fine showing, thirty-five being on parade and twelve Cubs, and they looked very smart and efficient in their serviceable uniforms. The guard of honour was posted directly in front of the monument, with the veterans in rear of the guard, and the Cadets were drawn up facing the right side of the monument. The members of the Women's Auxiliary of the G.W.V.A. and the I.O.D.E. were mercifully given places as much in the shade of the trees as possible, immediately behind the memorial.

After a delay of about fifteen minutes, during which the men in uniform began to show discomfort from the heat, the service began. It was conducted from a temporary stand between the esplanade and the memorial. The officiating clergy were the Bishop of Kootenay, Archdeacon Greene, Rev. Mr. Henderson (in the unavoidable absence of Rev. E. D. Braden) and Rev. R. G. Edwards. Mr. J. W. Jones, M.L.A. and Mayor Sutherland occupied seats on the platform together with a number of representative citizens from various parts of the district. Those to whom invitations were sent, many of whom were present, included: Reeve Chambers, Pentikton; Mayor Costerton, Vernon; Mr. J. N. Cushing, Glenora; Major C. H. R. Dain, Dr. C. W. Dickson, Rev. J. A. Dow, Rev. W. Graham-Brown, Mr. Robert Gray, the President, G.W.V.A.; the President, Women's Auxiliary, G.W.V.A.; Capt. Greenland, Salvation Army; Brig-Gen. A. R. Harman; Reeve Hogg, Peachland; the President, I.O.D.E. represented by Mrs. D. McMillan; Lieut.-Col. G. G. Johnston, Vernon; Lieut.-Col. W. G. Lindesay; Mr. J. A. McKelvie, M.P.; Dr. K. C. MacDonald, M.L.A.; Vernon; Mr. W. A. McKenzie, M.L.A.; Pentikton; Lieut.-Col. W. H. Moodie, Mr. A. H. Shaw, Rev. V. S. Vernier; Reeve White, Sumnerland.

The service opened with the hymn, "O God, our help in ages past," and the accompanying strains of the City Band carried the memories of the veterans to many a church paragon in the strenuous days of war. Arch-

(Continued on page 4)

## ELLISON

At the Ellison U.F.B.C. meeting last Wednesday, final arrangements were made regarding the sale of the certified and selected seed potatoes. The official estimate of the crop in the District appears to be 160 tons, subject to final inspection. Mr. W. H. Stonehouse is Secretary to the Ellison Seed Potato Association, and will be pleased to supply all information.

The telephone system came in for sharp criticism and a resolution was passed asking the Telephone Co. to have the present instruments removed and the old cut-out system re-installed. At present when one wishes to get through, there are generally three or four others on the line making ruddy remarks, and there is "reason" to suppose that listening-in is not unheard of.

Some discussion took place as to the future of the U.F.B.C., and many seem to be of the opinion that the only motive for the organization will be politics. Seeing that the machinery already exists for satisfactory co-operative marketing of the farmer's produce, there does not seem much room for the U.F. in that direction, and no very original impulse seems to come from Central, so that we continue to vegetate at a rather loose end.

With reference to the last dance at the School house on the 22nd ult. the Committee state that they would feel obliged to the person who cleaned up the cakes after the event, if he or she would kindly return the tin, as it cost \$1.50, and the Committee do not want to send in a bill to the party in question.

The ordinary ratepayers, as opposed to the Commissioners, of the Scotty Creek District, are enquiring what has been done as regards the dissolution of the District and reforming same under the 1920 Water Act. A year last July a public meeting was held and a unanimous resolution passed instructing the Commissioners to take the necessary steps for this change of organization, since which we believe we are correct in stating that not a thing has been done. It is about time something was done as the ratepayers are tired of the present unrepresentative Commission, which, furthermore, does not appear to agree with the stipulations of the Act.

## OBITUARY

### Mr. Robert Adam Walker

Kelowna lost an aged and much respected citizen on Wednesday by the sudden death of Mr. Robert Adam Walker, who was found sitting lifeless by his bedside in his residence on Ethel Street by Mr. D. Lloyd-Jones, who had called during the afternoon to see how he was, as Mr. Walker had not been in the best of health lately. Medical aid was summoned, but nothing could be done. Death had resulted from natural causes.

Mr. Walker, who was about 84 years of age, was a native of Scotland. He was a highly educated and cultured man, had travelled much about the world and was a most interesting conversationalist. He retained his keenness of intellect to the last and, until recently, a fair share of physical vigour. His wife predeceased him about eighteen years ago, and he had since been living alone but was given solicitous attention by a number of friends.

The funeral will be held tomorrow, Friday.

### Mr. John James Stubbs

Mr. John James Stubbs, for many years a resident of Kelowna but lately in Vancouver, passed away at his home in Vancouver, 1294 Broadway West, on Wednesday, Aug. 3, aged 60 years, after a prolonged illness. He leaves surviving him his wife, six daughters and one son. His eldest son was killed overseas while serving with the 47th Battalion.

Mr. Stubbs was keenly interested in music and allied himself with local musical organizations during his period of residence in Kelowna.

## HOSPITAL DONATIONS FOR JULY

The Secretary of the Kelowna Hospital Society begs to acknowledge with thanks receipt of the following donations during the month of July: \$5.00, Mr. E. C. Weddell; \$5.00, Mr. R. E. Houlton; cherries, Mr. H. J. Hewson; cherries, Mr. R. M. Grogan; apricots and vegetables, Messrs. Garbutt and Lefroy; apricots, Mr. Coates; cherries, Mr. W. C. Renfrew; cherries, Mr. J. C. Taylor, strawberries.

Mr. and Mrs. W. J. Smith, who had been visiting Mr. and Mrs. W. R. Trench, left on Thursday last, on their return to their home at Shaunavon, Sask.

## HYDRO-ELECTRIC POWER WILL INVOLVE CHANGES

**HEAVIER WIRE WILL BE REQUIRED AND TWO NEW PUMPS  
WILL HAVE TO BE INSTALLED—COUNCIL DISCUSSES  
WATER AND LIGHT PROBLEMS—CITY LOST \$1,212 BY  
CENT FIRE**

All the members of the Council were present at the fortnightly meeting on Monday night.

Mr. S. T. Elliott, President of the Agricultural and Trades Association, waited upon the Council with a request for permission to assign to the Directors the lease of the grounds held by the Association from the City. He explained that, in view of the large increase expected in the number of exhibits this year, the accommodation at present available in the exhibition building was not considered to afford sufficient space, and it is proposed to build a balcony on one side and end of it. The Directors were making the necessary financial arrangements, and the Association proposed to assign their lease to them as security, but it had been ascertained that consent of the City would be necessary to such procedure. The additions would cost nearly \$1,000, and the Association would also make considerable outlays upon the grounds and in other improvements.

Speaking for the Council, the Mayor assured Mr. Elliott that there would be no objection to assignment of the lease as security, provided that the annual holding of the Fair was not interfered with, the grounds having been leased to the Association with that primary object.

Mr. Elliott said the assignment of the lease would not interfere in any way with the Fair but would assist it. He also wished to bring forward another matter. The Association intended to fill up the slough in the grounds near the entrance, as it was absolutely necessary to have the space occupied by it, and as this work would improve the City's property, it was felt that the Council should fill up the other portion of the slough now crossed by a bridge, which was in very bad condition, and also gravel the street at that point. The slough was now dry, and it would be an easy and inexpensive matter to fill it to the street level.

The question of filling the slough was referred to Ald. Meikle, Chairman of the Board of Works, for investigation, and a motion was put through granting the desired permission to assign the lease.

Offers having been received from Gillespie, Hart & Todd, Ltd., Victoria, and C. M. Oliver & Co., Ltd., Vancouver, of P. G. E. bonds, the Mayor advised that purchase of such securities be made for the Sinking Fund as soon as funds are available.

Mr. F. R. E. DeHart wrote to the effect that he had a client who would like to purchase eighteen lots in Block 19, Plan 1306, for a total sum of \$900, of which he was willing to pay one-third in cash and the balance in two equal annual payments with interest at 8 per cent, with the privilege of paying off the remainder sooner, should he be able to get the necessary funds.

The terms, as differing from the uniform terms laid down for sale of City lots, were not favoured by the Council, Ald. Rattenbury pointing out that many people were asking for different terms and conditions and that it was necessary to adhere to a certain fixed basis.

A letter from Mr. L. Hayes, manager of the Occidental Fruit Co., Ltd., enquired when the pole line to the Company's premises would be put up, as they were about to begin operations for the season. The Mayor remarked that City workmen had got busy the morning after the fire at restoring the line and the poles were now all up.

They Haug & Son wrote stating that they had received notice from the C.P.R. to move their coal shed in order to make way for the temporary tracks that are being laid on Water Street, and they accordingly asked permission to move the shed to Lots 16 and 17, Haynes Avenue. It would not be necessary to disturb the light and telephone wires.

The requisite authority was given to move the building.

Mr. Henry Harrison forwarded an offer to deliver to the Power House one thousand cords of green cut pine or fir wood, split, with not over 10 per cent of round wood, at \$6.75 per cord, hauling to commence in December.

In view of the possibility of an early supply of power by the West Kootenay Power Co., the Council did not favour contracting for a supply of fuel not available at an early date.

Notice having been received of the annual convention of the Union of British Columbia Municipalities, to be held at Port Alberni on Aug. 31, it fell to the Council to select three delegates, but no member showed any burning anxiety to pay a visit to the most western city in the province. The choice finally fell upon the Mayor and the City Clerk, but His Worship said there was no certainty about his being able to go.

A lengthy letter from Mr. F. A. McDiarmid, solicitor for the Union of B. C. Municipalities, pointed out the necessity of coming to some decision at the convention as to the permanent employment of a counsel. He stated that he had spent practically the whole of the months of January to April of this year on the work of the Union, and the compensation he had been promised of \$500 for the year would not cover the cost of conducting the correspondence during these four months, let alone any remuneration for himself. He outlined a large amount of valuable work that a permanent counsel could undertake, particularly in assisting the smaller municipalities with problems that arise and suggested that a new arrangement be made by which each municipality shall contribute \$250 annually. It would then be possible to pay a solicitor \$500 a month for his full time and have a balance sufficient to meet the Union's ordinary office expenses.

The Mayor spoke very highly of Mr. McDiarmid's work for the Union and considered that good value would be obtained for the suggested annual contribution of \$250.

Action on the matter at the convention was left in the hands of the delegates.

By-law No. 312, conveying Lot 2, Block 19, Reg. Plan 830, to Mr. V. W. Witt, at a price of \$250, was reconsidered, finally passed and adopted.

Ald. Leckie stated that Chief Engineer Blakeborough reported the City had sustained a loss of \$1,212.90 through the recent fire on July 31, by reason of destruction of transformers, poles and wire. No insurance was carried by the City on its pole line, and Mr. Blakeborough favoured a blanket insurance but Ald. Leckie was unable to agree with him, as he considered it was far cheaper for the City to carry its own risk. In preference to taking out an insurance policy, he would favour forming an insurance fund or reserve, although it was hardly necessary.

The Mayor remarked that the loss was the first sustained by the City in twelve years, so that it amounted to an average of only \$100 a year.

Bringing up the matter of assistance to the City Band, the Mayor pointed out that there was a motion on record making a grant of \$40 per month, with a rider that conditions within the Band must be acceptable to the City. The recent public meeting called by the City Council had resulted in passage of a unanimous resolution in support of the Band, and that body would now expect payment of the grant.

A resolution was passed accordingly, granting the Band \$40 per month, with the sole provision that the usual concerts be given.

A hearty vote of thanks was passed to the Fire Brigade for their splendid work at the fire on July 31.

A long discussion took place of municipal water and power problems, initiated by the Mayor, who stated that the City would be faced with a lot of expense during the next two years for extensions of lines and renewals. There was a line-loss at present of 27 per cent, being the difference between the meter readings of consumers and

## THE PRAIRIE FRUIT MARKETS BULLETIN

### Current Prices and Market Conditions

(From the Weekly Bulletin issued by  
J. A. Grant, Fruit Markets Commis-  
sioner, Calgary.)

August 6th, 1921.

#### The Week in Calgary

The weather for the past week has  
been showery and cool. The price of  
B.C. field tomatoes came down very  
quickly; they are now wholesaling at  
\$2.00 per four-basket crate, some have  
been quoted as low as \$1.75.

The apparent big demand for sour  
cherries has fallen flat, even though  
there has not been a large quantity  
on the market, some were cleaned up  
as low as \$1.00 per case, but in most  
cases the quality had a great deal to  
do with the low quotation.

A car of cherries from Cove, Ore-  
gon, arrived here this week containing  
155 Bings, 490 Lamberts, 300 Repub-  
licans, 56 Royal Annes, and 32 Black  
Oregons.

Some of the new B.C. fruit and vege-  
tables arriving on this market during  
the past week are: Crab apples, peach  
plums, pumpkin, Hubbard squash, veg-  
etable marrow, eggplant, green pep-  
pers and citron.

A lot of poor cucumbers have arrived  
on the market, not properly shaped  
and turning white and yellow, these  
should never have been shipped.

On Monday a car of apricots arrived  
from Dallas, Oregon, they were Moor-  
parks and Tilsons in 30 lb. lugs or 27  
lbs. net. This is a cheap and good  
cot container. Also a car of apples  
from Walla Walla arrived on Mon-  
day, they were mostly Betigheimers  
and Wolf Rivers. This is the only  
car of imported apples that we have  
heard of being sold in Alberta.

New Alberta grown potatoes are  
now being offered for sale in com-  
petition with B.C. stock.

Green corn arriving on the market  
from both Alberta and B.C. points is  
not matured sufficiently for shipping.

Eggs are coming on the market in  
very poor quality, the price quoted  
being \$8.70 to \$9.00 per case.

Dairy butter, a better tone to mar-  
ket, fancy, per lb., 30c to 33c; straight  
car receipts, per lb., 16c to 17c; cream-  
ery in cartons advanced to, per lb., 35c  
and 40c for No. 1 and No. 2 grade.

#### Calgary Wholesale Prices

Apples, No. 1, per box, \$3.75 to \$4.00	
Apples, unwrapped, 3.00 to 3.50

Citron, Squash, Pump- kin, Vegetable Mar- row, per lb., .03 to .04	
New Potatoes, per lb., .02½	
New Turnips, Car- rots, Beets, per lb., .03½	
Head Lettuce, local, per doz., .60	

#### Edmonton

EDMONTON, Aug. 4.—The first  
cars of B.C. mixed lines arrived this  
week. Considerable shrinkage in to-  
matoes, also cucumbers pretty ripe.  
Quite a few mixed Washington cars  
have arrived since our last report, and  
on the whole everything has been in  
pretty fair condition. Car of Califor-  
nia Crawford peaches arrived on Mon-  
day. A couple of B.C. cars running  
heavy to No. 2 apricots have also ar-  
rived this week. These are extremely  
small sizes, and the trade is not tak-  
ing to them very well. Local vege-  
tables are coming along well, and con-  
siderable quantities of everything are  
being thrown on the market.

#### Medicine Hat

MEDICINE HAT, Aug. 4.—There  
was a lot of cutting on this market at  
the end of last week on consigned  
raspberries. Some were sold as low as  
\$2.25 per crate. A lot of No. 1 berries  
were sold for \$3.00 per crate.

#### Winnipeg

WINNIPEG, Aug. 3.—Business in  
Winnipeg is very brisk in all fruit and

vegetable lines, although at the pres-  
ent time the vegetable market outside  
of the celery is being taken care of  
altogether by local growers. Since  
last report the following has been re-  
ceived here:

From B.C.—5,098 pints of raspber-  
ries; 1,064 crates of sour cherries; 73  
crates of loganberries; 2 cars of cel-  
ery.

Ontario.—Two cars of mixed fruit;  
7 cars tomatoes.

Imported.—Two cars apples, bush-  
el baskets, Washington; 1 car apples,  
boxes, Washington; 1 car Bartlett  
pears, California; 6 cars California  
mixed fruit.

#### Carload Shipments of Raspberries and Cherries

The carload shipments of raspber-  
ries and cherries to prairie points up  
to Aug. 4 have totalled 73 full cars  
raspberries and 4 half-cars. From the  
Okanagan 44 carloads of cherries and  
one carload apricots have been ship-  
ped.

#### Vancouver

VANCOUVER, Aug. 4.—With the  
closing of the raspberry season prices  
are stiffening. Loganberries are still  
hanging on; dealers have no trouble  
in selling good stock at \$2.50. Hot-  
house tomatoes are scarce; field  
grown Okanagan stuff brought from  
\$3.00 to \$3.25 per lug. A good lot of  
preserving cherries were received  
from Victoria and sold at \$2.50.

Wholesale prices:	
Apples, Winesaps, No. 1, Off

## POSTERS

Patronize Local Industry and  
Give THE COURIER a  
Chance To Do The Work

With a large four-page press now installed, THE COURIER can meet local  
requirements in regard to display posters, and it is no longer necessary to send  
away for this class of printing.

We can print posters up to 35 inches by 44 inches on white paper and 24 inches by  
36 inches on coloured paper (the largest size in colours stocked by the whole-  
sale paper houses).

Prices vary according to size of sheet and amount of type. \*Quotations gladly  
furnished upon submission of manuscript.

#### Westbank Apricots

Westbank sends some nice apricots to Calgary. The packers evidently forgot to put on the top row. If they did not forget and expected that their crates were full, they were mistaken. There was abundant room for another row on the top, and even they would be slack pack, compared to some coming to this market from Washington. American boxes marked to contain 5 lbs. really contain 6 1/2 to 7 lbs. Westbank is no worse than some other points in B.C. in failing to fill the baskets. Remember that weight sells fruit and not the number of baskets that are used.

#### WHITE BURLEY TOBACCO IN CANADA

It is well on in the fourth century since Sir Walter Raleigh introduced tobacco to England and since that time it has grown into world-wide popularity. There are now, Mr. H. A. Freeman, Dominion Tobacco specialist, tells us in a bulletin just issued at Ottawa on "White Burley Tobacco in Canada," more than fifty species of the genus Nicotiana. On the North American continent the tobacco of commercial importance belongs to the special Nicotiana tabacum. White Burley, discovered in Ohio in 1866, was introduced into Canada some years later and is now grown principally in Essex and Kent counties, but has extended at intervals along the shore counties as far as Prince Edward county. Its growth in quantity varies greatly. In 1911 and 1913 thirteen million pounds of White Burley were grown in Canada; in 1914, 15 and 16 three or million pounds only; in 1919, fifteen million pounds, and in 1920, twenty million pounds. The duty on importations is responsible for the great increase in the last few years of home-produced tobacco.

There are three varieties of White Burley grown in this country, namely, Broadleaf White Burley, that does not grow well on heavy land; Stanley White Burley, that is recommended for dark, heavier soils, and Johnston's Resistant Burley, which is best to sow on "diseased" land, that is land not free from root-rot. White Burley is used for both chewing and smoking. The annual crop in North America, including Canada, is three hundred and fifty to four hundred million pounds. Kentucky being the principal seat of its growth. It finds a market in Europe as well as in Canada and the United States, but while in the last mentioned country the acreage devoted to White Burley is from three to four hundred thousand acres, in Canada only about twenty thousand acres are covered. Mr. Freeman in his bulletin tells all about its cultivation, and preparation for the market.

### G.W.V.A. NOTES

The unveiling of Kelowna's War Memorial was attended by a very large gathering and the Bishop gave a splendid address. Perhaps his remarks about a memorial of stone not being the only memorial required to commemorate the dead appealed to most of us. He asked for better citizenship in Municipal, Provincial and Dominion affairs, in fact for better individual service to the community. The G.W.V.A. in some measure, with many mistakes and human errors, are trying to realize this ideal of service, of service to the wives and dependents and comrades in need of help.

The Guard of Honour, composed of our own members and the cadets, presented arms when the Memorial was unveiled, and again at the sounding of the "Last Post." The Scouts saluted and three of the latter sounded the "Last Post" very well.

The veterans over 100 strong marched from the G.W.V.A. Club, and our Women's Auxiliary and the I.O.D.E. were well represented in the enclosure.

The tribute paid to the British by Frederick Palmer, the American war correspondent, in the first year of the war, comes to mind again. He wrote, "Undemonstratively, cheerily as they would go for a walk, with something of old-fashioned chivalry, the British went to death." Those who lost their relatives in the war may at least have proud memories.

Col. Edgett, Messrs. Tuck, Pettigrew and others from Vernon were present at the entertainment at the Club on Saturday last. We had a full house and everyone appeared to enjoy themselves. Messrs. Ferrier, McKenzie and Johnston were good enough to come and sing for us and Mr. Barrett brought a six-piece orchestra. Col. Edgett gave us a most interesting address dealing largely with the recent Port Arthur conference. He pointed out that while we would welcome the union of all veteran organizations, we could not surrender one iota of our constitution nor would we enter the political field. He complimented the Kelowna Branch on the work they were doing and on their fine club. He had no doubt that a ritual would be adopted at the Dominion Convention in the fall and that our Association would be put definitely on a fraternal basis.

He pointed out the valuable work being done by our Dominion and Provincial secretaries and paid a high tribute to Comrade McNeil, our Dominion Secy-Treas. He gets a salary of \$4,000 a year from the G.W.V.A. and has refused much higher remuneration from business people as he is determined to work for the G.W.V.A. until its future is fully secure.

We hope it will not be long before Vernon also unveils a memorial and has suitable quarters for the veterans of the district. We assured the Vernon delegates of any help we could render to secure this.

In the past few days we have received two applications for refund of passage money, helped two veterans who were sick and out of work, and

### EAST KELOWNA

We are hardly in shape to write our usual budget of news this week, having received a shock the other day. We met one of our neighbours and rashly asked him how his irrigation water was getting on, expecting the usual water user's grouch. "Well," he said: "I'm at the end of the system and of course can't expect to have a very regular supply of water, but the water bailiff is doing his best, the supply is almost what I desire and is much better than last year." We suffer from a weak heart and the shock was nearly fatal.

The School Trustees have appointed for next term the following teaching staff: Mr. R. A. Lyons, Principal, in charge of the Senior Division; Miss Ellen Jones-Evans, in charge of the Junior Division. Mr. Lyons did well last term and with his increasing experience should make a good principal. Miss Ellen Jones-Evans is a beginner, but comes to us with a remarkably good record at the Victoria Normal.

We received the news last week too late to refer to the marriage of Mr. Tasker and Miss Kathleen Hincks.

Mr. E. B. Powell has bought a Ford Truck.

The continued hot weather is causing our bee-keepers annoyance by swarming, which is very weakening to the bees at this time.

We are all too busy picking to have time for any gossip or scandal. Peach plums, peaches, crabs and Duchess are all occupying our attention. The packing houses seem to require the fruit greener this year than usual, which works rather a hardship on the girls from Vancouver who have come down here to pick and are not getting as much work as they expected.

There is still 14 feet 6 inches of water in McCulloch reservoir.

secured employment for two others. We mention these matters as an instance of the work of the Association that is going on continually. We regret it was not possible last Saturday to throw the meeting open to all returned men so that they could have heard from Col. Edgett what the Association has accomplished for all veterans.

We have been asked by the Provincial Secy-Treas. to forward a roll of our members and their addresses in order that a copy of our official magazine, "The Veteran," may be sent free to every member of the Association. We shall be glad if members will notify us at once of any change of address.

It is reported that about 20 Chinamen came into Kelowna on Saturday last. We have not yet heard who is responsible. Col. Edgett carried the meeting with him at the Club when he said that Oriental immigration must be fought to a finish by the G.W.V.A.

### A Complete Banking Service

Small traders and great industrial corporations—workmen with modest savings accounts and farmers with their banking business—find in the Bank of Montreal the banking service they require extended to them with courteous attention.

The facilities of this Bank are equally at the service of every class in the community.

At the conclusion of an irrigation  
case in the Penticton Police Court  
last week, the defendant, Mr. W. G.  
Craig, and Municipal Councillor Mutch  
"mixed it" in the court room, and the  
Councillor was soon after served with  
a summons for assault. The case was  
heard on Thursday, when Councillor  
Mutch pleaded guilty, alleging provo-  
cation, and was released on suspended  
sentence.

## THE KELOWNA COURIER AND Okanagan Orchardist.

Owned and Edited by  
G. C. ROSE

should be legibly written on one  
side of the paper only. Typewritten  
copy is preferred.

THURSDAY, AUGUST 11th, 1921

## KELOWNA DEDICATES HER WAR MEMORIAL

(Continued from Page 1)

deacon Greene prayed and a general  
confession was followed by the Lord's  
Prayer. Rev. R. G. Edwards read  
Psalm 46 and St. John, Chap. XV, ver-  
ses 1 to 17. The hymn, "Fight the  
good fight with all thy might," a fa-  
vorite at church parades overseas,  
came next, the Apostles' Creed was  
recited by the assemblage, and then  
came the dedication of the memorial  
by the Bishop, who said:

"Good people, we are gathered to-  
gether for the purpose of dedicating  
this public memorial, set up by the  
people of this city and district, to  
the honour and glory of God, who  
preserved us during the time of war  
and gave unto us the victory, and also  
in perpetual memory of those from  
this city and district who, fighting  
for God, King and Country, laid down  
their lives gladly and willingly on be-  
half of their brethren. Wherefore let  
us fall to prayer and beseech the  
blessings of our Heavenly Father,  
through His Son our Lord Jesus  
Christ, upon this our pious endeavour  
to commemorate His goodness and the  
self sacrifice of those whose name  
and memory we desire to preserve for  
ever. Let us pray. In the name of  
the Father, and of the Son, and of  
the Holy Ghost. Amen."

After repeating "Our Father" with  
the assemblage joining in, the Bishop  
continued: "Almighty God, who  
through Thy Son Jesus Christ hast  
commanded us to love Thee and one  
another, we render to Thee most  
high praise and hearty thanks for the  
service and sacrifice of our brethren  
who died that we may live, beseeching  
Thee to grant us grace so to follow  
in their path of devotion to duty that  
in all things we may glorify Thee  
and hasten the coming of Thy King-  
dom through the same Thy Son Je-  
sus Christ our Lord. Amen."

The unveiling was then simply per-  
formed by Mayor Sutherland who,  
without saying a word, pulled a cord  
which released the Union Jack that  
shrouded the face of the monument,  
and the flag fell to the ground, re-  
vealing the 134 names of those who  
died on service. The guard of hon-  
our presented arms and the Scouts  
and veterans saluted.

Continuing the dedication, the Bis-  
hop prayed: "Accept, O Heavenly  
Father, we beseech Thee, this gift  
which we now dedicate to Thee and  
in perpetual memory of our brothers  
who died in defence of truth, free-  
dom and honour, beseeching Thee to  
bless, hallow and consecrate it to Thy  
honour and glory and their ever-  
abiding memory. May all beholding it  
be led by Thy Most Holy and Life-  
giving Spirit to serve Thee and their  
brethren for His sake who gave His  
life for the salvation of all men, even  
Thy Son our most blessed Lord and  
Saviour Jesus Christ. Amen."

"In the name of God we dedicate  
this War Memorial to be forever a  
token of our love and thankfulness  
to Him who alone giveth victory, and  
an evidence of our gratitude to Him  
who from this place gave their lives  
in defence of truth, freedom and hon-  
our. Greater love hath no man than  
this that a man lay down his life for  
his friends. Amen."

"Almighty God, with whom do live  
the spirits of them that depart hence  
in the Lord, and with Whom the souls  
of the faithful, after they are delivered  
from the burden of the flesh, are in  
joy and felicity: We praise and mag-  
nify Thy Holy name for all Thy ser-  
vants who have finished their course  
in Thy faith and fear. And we most  
humbly beseech Thee that, at the day  
of the general resurrection, we, and  
all they who are of the mystical body  
of Thy Son, may be set on His right  
hand and hear that His most joyful  
voice, Come, ye blessed of my Father,  
inherit the Kingdom prepared for you  
from the foundation of the world. Grant  
this, O merciful Father, for the  
sake of Jesus Christ, our only Medi-  
ator and Advocate. Amen."

A hymn, "The Son of God goes  
forth to war," was sung and an address  
by the Bishop followed, with St. John,  
XV, 13, as his text: "Greater love  
hath no man than this: that he lay  
down his life for his friends."

He said the gathering was taking  
part in a very solemn ceremony, giv-  
ing glory to God who had given us  
the victory and in memory of our  
brethren from Kelowna and surround-  
ing districts who had responded to the  
call of duty and had died that we  
might live. The preceding Thursday  
was the anniversary of the out-  
break of war, and the unveiling  
came at an appropriate date. There  
was no doubt today that the un-  
veiling of the monument was a real  
objective from the outset was the  
British Empire, to which she  
sought to deal a death-blow as her  
greatest rival. She did not expect  
did, but she placed and finally attack  
Britain. She did not imagine for a  
moment that Britain would fight for  
a scrap of paper, but, as Goschen, the  
British ambassador to Berlin, told the  
German Foreign Minister, Britain re-  
fused to go to war when she  
expected her plighted word in every  
the Empire sprang to arms.

The Bishop believed that no part  
of the Empire could show a record  
of service comparable to that of the  
Okanagan with the exception of the  
Highlands of Scotland. Had it not  
been for the devotion of the men who  
would now be flying over every city  
in Canada, and the people would be  
groaning under a load of oppression  
from which they would pray daily to  
be delivered by death. There was  
good reason to be thankful to God  
that our brothers showed themselves  
worthy of the name they bore and that  
He had crowned their arms with suc-  
cess. He asked if that cold, lifeless  
block of stone was the only memorial  
that the men, women and children of  
Kelowna were going to erect to the  
memory of the men who had died for  
them. If there was a scrap of man-  
hood and womanhood within them,  
they would answer, a thousand times  
no! Those men died for the Empire.  
We must see that the Empire for  
which they laid down their lives is  
made worthy in some measure of the  
sacrifice that was made on its behalf.  
There were many injustices and grave  
inequalities existent, and we must see  
that all these national blots and evils  
are removed. We must put our na-  
tional, provincial and municipal life  
in order.

How was it to be done? The an-  
swer was that we must reform our  
personal lives. If we were going to  
show any gratitude to the men who  
died for us, we must put our own  
lives straight, and there was only one  
way, by the help of Almighty God.

The first object of the memorial  
was stated to be the glory of God,  
and in this regard the origin of the  
war was not hard to find. Sin, leav-  
ing God out of the hearts of men, was  
the cause of the upheaval of 1914, and  
until the problem of sin was faced,  
we were not going to make our coun-  
try a good place to live in. God gave  
the victory to those who placed them-  
selves on His side and fought for His  
principles of justice and truth, and God  
would give us the victory over sin, if  
we would fight for His principles.

The text referred to the greatest  
form of human love, but there was a  
greater love than human love. God's  
love, the love that laid down His life  
for His enemies. Only the sacrifice  
of Jesus Christ could make atonement  
for human sin, and until we realized  
that the death of Jesus Christ was not  
in vain, only then could God give us  
the victory over that which lies at  
the root of all evil. He wanted the  
people to ask themselves, what are  
we doing to make Kelowna, Canada  
and the Empire worthy of the sacri-  
fice made by those commemorated, as  
also of the infinitely greater sacrifice  
made by Jesus Christ?

All earthly governments were tot-  
tering and falling, and the people  
were looking for a leader. All this  
meant the early coming of the King-  
dom, the final conflict between good  
and evil of which the great War was  
merely an episode. On what side,  
asked the Bishop, would they be  
ranging themselves, in the great con-  
flict between Christ and Anti-Christ  
on which side would they be found?

He adjured the people to lift up their  
eyes to the cross of Jesus Christ, a  
greater sacrifice, then cast their eyes  
upon the monument, a lesser sacrifice  
by the brethren who had died for  
them, and then make a solemn vow  
that, God helping them, they would  
draw their swords for God and the  
right and help to establish His King-  
dom upon earth and to glorify His  
name from the rising to the setting  
of the sun.

The Bishop's eloquent address was  
followed by a prayer by Rev. Mr. Hen-  
derson, after which the Bishop an-  
nounced the Benediction. Scouts  
Ball, Balsillie and McCarthy blew  
upon their bugles the sweet, sad notes  
of "Last Post," the guard of honour  
and the cadets presented arms, the  
veterans and the Scouts saluted, the  
National Anthem was sung, and the  
ceremony was over.

Many of the gathering remained to  
admire the beautiful wreaths which  
covered the sod at the foot of the mon-  
ument. Besides a number of personal  
tributes to the memory of gallant re-  
latives, many wreaths came from the  
local churches, lodges and other bod-  
ies, amongst those noted being the  
following: Women's Auxiliary, G.W.  
A., Major H. H. Abbott, Officers,  
N.C.O.s, and men of "D" Com-  
pany, 1st Battalion, Rocky Mountain  
Rangers; 1st Kelowna Boy Scouts and  
Kelowna Pack of Wolf Cubs; Mem-  
bers of 72nd Battalion; Kelowna G.W.  
V.A.; "From the Boys of the 48th,"  
I.O.O.F., in memory of Sergt. Jack  
McMillan and Corp. Milton Wilson;  
Sons of England Benefit Society,  
Orchard City Lodge No. 316; Kelowna  
Baptist Church; Kelowna United  
Church; Imperial Order of the Daugh-  
ters of the Empire; "In Memory of  
Our Unknown Dead."

### The Memorial

The memorial takes the form of a  
rough monolith of Canadian grey  
granite, measuring 3 ft. 8 ins. by 2 ft.  
3 ins. and 10 ft. 6 ins. in height. The  
side facing the lake has been dressed  
flat in order to permit inscription  
of the names of the dead, but the rest  
of the great stone is rough. It was  
supplied by the Thomson Monument

Co., Ltd., of Toronto, and its weight  
may be judged from the fact that the  
freight alone came to over \$600. It  
stands on a slight elevation, which  
has been sodded, and is surrounded  
by a low granite curbing connecting  
six "battle stones," each inscribed with  
the names of three memorable en-  
gagements in which Canadian troops  
took part, as follows: Arras, Bours-  
lon Wood, Cambrai; Lens, Passchendaele,  
Amiens; Ypres, Festubert, Givenchy;  
Courcellette, Vimy Ridge, Hill 70; St.  
Eloi, Sanctuary Wood, The Somme;  
Le Cateau, Valenciennes, Mons.

A tablet in the centre of the curb-  
ing bears the inscription: "In grateful  
and loving memory of the men from  
Kelowna and District who gave their  
lives for their country in the Great  
War, 1914-1918."

The setting of the memorial was  
carried out by Mr. M. S. Dick under  
the superintendence and instructions  
of Mr. Winham Morley, architect,  
who improved considerably the man-  
ner of placing as suggested by the man-  
ufacturers. The granite curbing was  
obtained from the Vernon Granite  
& Marble Co. Complete, the memorial  
represents an expenditure of slightly  
over \$4,500.

The names inscribed upon the mon-  
ument are as follows:

### NOTICE OF DISSOLUTION OF PARTNERSHIP

**NOTICE IS HEREBY GIVEN** that the Partnership heretofore subsisting between us the undersigned as Billiard and Pool Room Proprietors in the City of Kelowna, B.C., has this day been dissolved by mutual consent.

All debts owing to the said Partnership are to be paid to Bernard Hartridge Raymer at Kelowna, B.C., and all claims against the said Partnership are to be presented to the said Bernard Hartridge Raymer, by whom the same will be settled.

Dated at Kelowna, B.C., this 26th day of July, 1921.

**B. H. RAYMER,**  
**IAN MACRAE.**

Witness:  
**JOHN F. BURNE,**  
Solicitor,  
Kelowna, B.C. 49-3c

### THE CORPORATION OF THE CITY OF KELOWNA

#### TAX SALE NOTICE

**NOTICE** is hereby given that I shall, on the First day of September, 1921, at the Council Chamber, Kelowna, B.C., at ten o'clock in the forenoon, offer for sale by public auction all and every parcel of land and improvements thereon within the City of Kelowna the taxes upon which are delinquent.

All property heretofore protected by the War Relief Act and amendments will be included in this tax sale, unless the taxes are sooner paid, or further relief is granted by the Courts.

**P. T. DUNN,**  
Collector for the Municipality of The Corporation of the City of Kelowna. 51-3c

### POUND SALE

Notice is hereby given that, on the 20th day of August, 1921, I will sell at public auction in front of the Pound at Glenmore Ranch, Glenmore, at 1 o'clock (and being within my Pound District) the following impounded animal, namely:

One black gelding, branded H, on left hip.

Dated this 10th day of August, 1921.

**J. N. CUSHING,**  
Pound Keeper. 51-2c

### POUND NOTICE

Notice is hereby given, under section 20 of the "Pound District Act" that one yearling roan heifer, brand appears to be O on left hip, and one black cow and calf, cow brand appears to be J on left hip, were impounded in the Pound kept by the undersigned on Glenmore Ranch, Glenmore, on the 5th day of August, 1921.

**J. N. CUSHING,**  
Pound Keeper. 51-2c

### THE CORPORATION OF THE CITY OF KELOWNA

**NOTICE** is hereby given that we will, on the 19th day of August, 1921, at the hour of 2 o'clock in the afternoon, sell at public auction at our stables the following impounded cattle, namely:

One Bay Horse branded JJ on right hip.

One old White Horse, no visible brand.

**JENKINS CO., LIMITED,**  
M. JENKINS.

Dated at Kelowna, B.C., this 10th day of August, 1921.

### BIRTHS

**GRAVES**—On August 8th, at the Kelowna Hospital, to the wife of Arch. F. Graves, a daughter. 51-1p

**THOMPSON**—To the wife of Wilson Thompson, on July 28, at the Kelowna Hospital, a son. 51-1c

## Local and Personal

Mrs. D. McEachern went to Red Deer, Alberta, on Tuesday.

Miss M. E. Smith left for Vancouver on Friday.

Mr. David Turnbull returned on Friday from a visit to Vancouver.

Mr. T. Renwick is a business visitor to the Coast this week.

The new 80-foot flagpole was successfully raised in front of the Public School on Friday morning.

Mr. and Mrs. A. J. Smith and son left this morning for a visit to Vancouver.

Mrs. H. Renwick, of Vernon, is visiting Mr. and Mrs. T. Renwick, Glenn Ave.

Mr. F. W. Clingan and family, of Salmon Arm, motored over for the Regatta today.

Miss Winifred Bell, of Victoria, and Mr. Malcolm McAra, of Calgary, were visitors at the home of Mr. and Mrs. J. W. Jones over the week-end.

Mrs. J. N. Cameron, accompanied by her daughter Ella and her niece, Miss Jones, left on Wednesday afternoon for a visit to the Coast.

Mr. Walter Jordan, editor of the "Revelstoke Review," was a visitor this last week, going south on Saturday.

Mrs. W. Lloyd-Jones, with Mildred and Arthur, returned on Saturday from a visit to Calgary and Edmonton.

Mr. C. Foster, relieving agent, C.P.R., having completed his duties here, left on Saturday for Albert Canyon.

Mr. H. L. Taylor, Assistant Inspector of Electrical Energy, was in town at the end of last week on official business.

Mr. and Mrs. J. C. Richards left by car on Tuesday for Penticton, where Mr. Richards will spend a holiday while Mrs. Richards is visiting friends at the Coast.

Mr. and Mrs. J. M. Robinson, of Naramata, attended the Regatta. They were unable to travel as in former years by their launch, which is undergoing repairs, and motored by road.

Mr. and Mrs. C. Chambers, of Calgary, arrived on Monday to visit Mr. H. S. Atkinson, of East Kelowna. Mr. Chambers is Dominion Irrigation Engineer for the prairie provinces.

Mr. J. Bowes returned on Tuesday from a visit to Listowel, his old home town in Ontario, where he had been for 37 years. A re-union of former residents was held, and the proceedings lasted several days, with musical programmes and oratory.

A bush fire started on Tuesday afternoon south of the summit of the Mission Mountain range and burned quite fiercely, the glare being visible at night on the sky-line. It does not seem to have spread to any great extent, and measures are being taken to check it.

An advertisement of the Vancouver Exhibition, published in our last two issues, stated that railway tickets would be on sale at reduced rates from August 6th to 10th. This was in accordance with the copy sent us, but we are informed by Mr. J. M. Davison, C.P.R. agent, that the correct dates for sale of tickets should be from the 11th to the 19th inclusive, good for return up to August 23rd.

Immediately after the ceremony in the Park on Sunday, a bronze plaque in honour of the 1,701 men of the Canadian Bank of Commerce who enlisted for service in the Great War was dedicated in the local branch of the Bank by the Bishop of Kootenay and unveiled by the manager, Mr. N. M. Foulkes. It bears the names and military records of three men who were members of the local staff. Gordon Dimming, Arthur Hill and Horace Nelson. Others present at the ceremony included Mayor Sutherland, Archdeacon Greene, Mr. J. W. Jones, M.L.A., and the members of the staff.

The past week has been a busy one for Magistrate Weddell. Besides the opium cases referred to in another article, he had a number of civil and criminal matters to deal with. For allowing horses to run at large, two people were each fined \$5.00 and costs. Two drunks, Jack Ferguson and James Ryan, each paid \$50 and costs for their lack of discretion. G. Wilson forfeited bail of \$25.00, failing to appear to answer a charge of having no head lights on his motor car. Ling Chinaman, was charged with having in his possession three bottles of Chinese liquor without a government seal. He pleaded not guilty and was defended by Mr. R. B. Kerr, with Mr. E. C. Weddell prosecuting on behalf of the City. He was found guilty and fined \$50 and costs. Three Indians, from Westbank reserve, Joe and Basil McLeod and Basil Jack, appeared on Tuesday on a charge of stealing two steers, the property of David Gellatly, and were remanded for eight days or until such time as the Crown is able to proceed with the case.

### THE CORPORATION OF THE CITY OF KELOWNA

**NOTICE** is hereby given under section 10 of the Pound By-law that—

One Bay Colt, two years old, branded W H on left hip and H on left flank, was impounded in the Pound kept by the undersigned at our stables on the 6th day of August, 1921.

**JENKINS CO., LIMITED,**  
THOS. RITCHIE, Secy.  
Pound Keeper. 51-2c

## HYDRO-ELECTRIC POWER WILL INVOLVE CHANGES

(Continued from Page 1)

House. This would have to be reduced materially, as the percentage was too great.

Ald. Shepherd said the Fire Brigade claimed that the water-main to the packing-house district was too small, hence they could not get enough pressure on the night of the fire.

His Worship replied that the pressure would have been all right if there had been fewer hose lines in use. A one-inch hose under fire pressure would throw nearly 300 gallons per minute, so that the six lines in use by the Brigade would throw 1,800 gallons per minute, or 500 gallons more per minute than the capacity of the pumps. There had also to be taken into account the number of private hose lines in use, which accounted for a large amount of water. The Mayor's view was that the people in the industrial district should do something to help themselves by the installation of automatic sprinklers and other safety measures, and the City would then give them all the mains they want. Mr. Blakeborough advised the gradual replacement of the wooden mains by a certain proportion of cast-iron pipe each year, beginning in 1922 with an eight-inch iron pipe to the industrial district and extending it to the business quarter in 1923. Changes in the power system would also be required, and Mr. Blakeborough was already beginning to put in larger wires on the new work. A very important question would arise, when hydro-electric power became available, as to the charges to be made, whether they would cover the cost of all extensions, or whether the latter would be met by borrowing money. In the Mayor's opinion, enough should be charged for power and light services to cover ordinary extensions out of the annual revenue. The City would not have to bother with local supply outside the municipal boundaries, as the Power Company would run from Kelowna to Vernon on a voltage low enough to tap the line anywhere between the cities with ordinary oil transformers. The voltage to Kelowna from the south would be 60,000; from Kelowna to Vernon, 20,000.

Replying to a question by Ald. Knowles as to the outlays entailed by hooking on to the hydro-electric system, the Mayor said a couple of new pumps would be required, poles would have to be replaced and larger wires would be needed. The new poles would be higher—possibly ten feet—which would enable the line to clear the shade trees and save much of the pruning which is necessary at present.

Aldermen Meikle and Knowles put forward the possibility of placing the wires underground or running them up the lanes, to which the Mayor replied that the cost of putting the wires underground would be prohibitive, and, as to the lanes, such were lacking in many parts of the city and there would also be the difficulty, if the lanes were utilized, of then lighting the streets.

The Mayor having mentioned that there would ultimately have to be a reservoir, further discussion ensued as to the use of such an auxiliary to the water system. Some of the aldermen seemed to think that a reservoir, situated probably on Knox Mountain, would be used only in the event of fire, but His Worship pointed out that a certain amount of circulation would have to be maintained by use, otherwise the mains would be filled with stagnant water in the event of the reservoir being drawn on for fire purposes.

The aldermen lamented that use of water from a reservoir would entail loss of the excellent cold water fresh from the depths of the lake, as now supplied by the pumping system, but agreed that ultimate installation of a reservoir would seem inevitable.

The Mayor stated, during the discussion, that the average quantity pumped daily at present for domestic purposes was about 400,000 gallons. Reverting to what should be the margin of the water and light services over running expenses, he considered there should be a balance of about \$15,000 a year to provide for building up the systems.

This would not seem to foreshadow much reduction in charges, and Ald. Meikle pointed to the advantages enjoyed by the people of Winnipeg with a 2 1/2¢ rate per k.w.h. Over one thousand houses in Winnipeg were equipped to use electricity for heating, owing to this low rate.

By-law No. 313 was introduced and given three readings. It amends Sub-section 11 of Section 29 of By-law No. 304, being the Streets and Sidewalks Regulation By-law, in regard to the rule of the road at street intersections as follows:

"11. He shall, in approaching the intersection of any street, grant the right of way at such intersection to any person approaching in any vehicle from his right, provided said vehicle is sufficiently close as to be able to overtake him at a rate of speed not greater than fifteen miles an hour.

It also adds the following sub-section:

"15. Any person leading any animal while riding any other animal, or in a conveyance, shall have the animal he is leading on the right side of his mount or conveyance."

Ald. Shepherd suggested the advisability of incorporating in the By-law a provision regarding the angle at which cars are to be parked against the curb. The By-law at present requires that the angle shall be not less than 45 degrees. In place of this, he thought the clause should read, "45 degrees or less." In support of his

### Advance Models in Fall Millinery

Here, at least, Fashion is not a tyrant. Whims and fancies hold absolute sway. Choose what you will, but have a care for the way you put it on—for its the lines that count. Crushed down at the proper angle, there's charm in the graceful curves of a big, black Velvet Hat as in the saucy tilt of a little jade Turban. Every hat is a picture to be adored.

### Sale of White Wash Skirts

While our stock of these desirable Skirts is not as large as it was early in the season, it covers an excellent range of sizes and styles. Made of white Middy Cloth and Gabardine. Some of these come in sizes up to 36 waist.

Note the Price **\$2.95**

### New Strap Pumps

Our Shoe section has now on display a complete collection of the new Strap Pumps. These come in many different leathers such as grey suede, black kid, brown calf and white buck. Make a point of seeing these new styles.

Prices from **\$5.95** a pair

A new Black Patent Tie Oxford is now in stock, with Cuban heel **\$4.50** a pair

**German Hunt LIMITED.**  
KELOWNA  
Phone 361

Overtake him at a rate of speed not greater than fifteen miles an hour.

proposal he pointed out that trucks with long bodies were parking on narrow streets at an angle of 90 degrees, practically blocking the street, and they were not contravening the By-law, which permitted any angle not less than 45 degrees.

Objection was taken that cars might park, under the suggested amendment, at such a slight angle to the curb as to be practically parallel to it, but Ald. Shepherd eventually won over his colleagues to his way of thinking, and his amendment will be incorporated in the By-law when it comes up for final reading. The Council then adjourned until Monday, August 22nd.

## FIFTY CENT TEA

IS always popular provided it gives satisfaction for the money. Our fifty-cent tea is a blend of good Indo-Ceylon and we have no hesitancy in offering it as one of the best tea values on the market. TRY IT—IT'S ONLY 50c A POUND.

## SUGAR--

The market is strengthening. There has been an advance of 25c per 100 at the refinery since last week.

## BOY SCOUTS' COLUMN

Troop First Self Lant  
Edited by "Pioneer."

9th August, 1921.

A business session of the Court of Honour will be held at the Scout Master's Office on Friday, the 12th of August, at 7.30 p.m. The Leader of each Patrol will attend and where the Leader is absent from town, his second will attend in his place. This is an important meeting as arrangements have to be considered with regard to carrying on the Troop activities during the Fall term.

During the absence of the Scout Master the Troop will be in charge of A. S. M. Parkinson, which means that we shall have to get some outside assistance for the Wolf Cubs, or one of our Senior Scouts will have to be in charge of them.

Intending recruits for either the Troop or the Pack should send in their written applications, or notify one of the Troop Officers directly, as soon as possible, as after the Fall term commences we shall not take any more recruits until Christmas, except of course out-of-town arrivals who could not have had the opportunity before.

We are glad that every member of the Troop left in town, turned out for the parade for the unveiling of the Memorial on Sunday. We presented a wreath in the form of the Scout sign for "We have gone Home." We were glad to have with us at the Parade the Westbank Scouts, who looked quite "snappy" in their uniforms. They are wearing khaki shorts and have chosen light purple scarves.

There are still some Camp subscriptions remaining unpaid, and we shall be glad if these can be brought in right away. Also there is some Camp equipment not belonging to the Troop left in our Club Room. We shall be glad if all those to whom this equipment belongs would take it away. It is hardly fair on their parents, or whoever lent the equipment to them, to take such a long time returning it. We refer particularly to articles such as shovels, axes, pails, etc.

Immediately the Regatta is over we would like all Scouts who have any possible chance, to try the tests for their Swimmer and Rescuer Badges, before the water commences to cool.

Dr. J. W. Robertson, Chief Commissioner of Scouts for the Dominion, was recently out West, and while at the Coast called a meeting of various interested parties for the purpose of organizing a Provincial Council. From a report appearing in the "Vancouver Province" we learn that Brigadier-General Victor W. Odlum has been chosen President of the British Columbia Council; Mr. Ross Sutherland, of Victoria, has been named Provincial Commissioner, and His Honour the Lieutenant Governor, W. C. Nichol, has consented to become Patron. The full Provincial Council announced by the Dominion Commissioner is as follows:—Brig. Gen. Odlum, Vancouver; Ross Sutherland, Victoria; the Rev. and Hon. T. R. Heneage, Victoria; E. C. Weddell, Kelowna; L. W. Masters and G. E. Evans, Vancouver; O. F. Zimmermann, Summerland; Col. W. B. S. Rorison, Col. F. W. Foster and Col. L. Cook, Vancouver; H. H. Rolley and H. Scarett, Victoria; and C. Plowden, Vancouver. The election of Vice-President and Honorary Secretary was deferred until the next meeting of the Council. Meanwhile Mr. J. C. Anthony, of Victoria, is undertaking the duties of Secretary-Treasurer.

## AGRICULTURAL USE OF LIME

For the improvement of the soil lime is of great value. Unless rationally employed, however, its effect may be exactly counter to that desired. A bulletin, prepared by the Dominion Chemist, just issued by the Ottawa Department of Agriculture, deals fully with the agricultural functions of lime and its several compounds, and indicates what may be expected from them and their effect on soil fertility. It treats of the nature of lime and limestone, of value of methods of application of quick lime, slaked lime, ground limestone, and gypsum of land-plaster, and the use and misuse of same. Results of experiments are set forth and the composition of Canadian limestone at fifty different points in the country is detailed in tabular form. Limestone, it might be explained, is found extensively in the Maritime provinces, in Quebec, in Ontario, in Manitoba in the vicinity of lakes Winnipeg and Winnipegosis—otherwise not west of the Rockies—and at various points in British Columbia. Some space is given to a discussion of soil characteristics with a view to explaining the kind of lime that can best be used and its method of application.

## WINFIELD (WOODS LAKE)

On the birth of another little son, we congratulate Mr. and Mrs. Ralph Berry. Both are progressing favourably.

It is rather late in the day to make complimentary remarks about Mr. Alec Beasley's success in the first year matriculation examination held in June, but we only heard of the result last week. This young man (who received coaching for the exam. for some months from Mr. C. Wm. Cresswell), is to be particularly congratulated because all of his studies were done at home without the valuable help of High School instruction. He was also one of the very few to pass in all subjects at the first attempt. We wish him success in further examinations.

A goodly number of residents took the day off on Thursday to witness the Stampede at Vernon. It cannot be said that the fun was fast and furious, for though some of the riding was clever, the frequent waits between acts became really monotonous.

A very attractive and business-like circular put out by the British Columbia Fruit Growers' Association has just been received. Quite an extensive advertising campaign is being carried on and the sale of B.C. fruit should be materially aided. Those who are getting the benefit of this enterprise and have not yet joined the B.C.F.G.A. should get busy at once and send in their subscriptions.

A representative audience of the Women's Institute met at the Hall last Thursday afternoon to hear an address given by Canon Hinchliffe, of Victoria. Mrs. Hinchliffe and Mrs. J. W. Jones, of Kelowna, were also at the meeting, which was a decided success. The hostesses as usual provided dainty refreshments.

Mr. and Mrs. Stanley, who have motored from Calgary via the States, are paying an unexpected visit to Major and Mrs. Robie.

The beach of Wood's Lake on Mr. M. P. Williams' place was well patronised by visitors from Kelowna and Vernon, on Sunday; they thoroughly enjoyed the peacefulness and beauty of that pretty little bay which is becoming so popular with picnic parties.

## FORESTRY CONVENTION TO MEET AT VANCOUVER

Arrangements have been completed for the holding of a Provincial Forestry Convention at Vancouver, September 19th and 20th and at Victoria September 21st, under the auspices of the Canadian Forestry Association. The British Columbia directors of the Association are Hon. Hewitt Bostock, Hon. A. C. Flumerfelt, P. Z. Caverhill, Provincial Forester, Chas. D. McNab, H. R. McMillan and R. D. Prettie. It is expected that a considerable delegation will be present from Eastern Canada and from Alberta.

While the subjects for discussion will accord the greatest prominence to British Columbia, there are a number of Eastern questions having close application to this province, such as the future of the Eastern timber supply, and the progress of applied forestry amongst Eastern pulp and paper companies. A distinguished group of speakers, each an authority in his special sphere, will take part. Every effort has been made to have the programme thoroughly practical and helpful and to make the topics and their treatment of positive service to the business interests of British Columbia.

The Canadian Forestry Association is a national institution, twenty-one years old, with no identification with any government or commercial interest. The membership is composed chiefly of Canadian citizens having a patriotic interest in forest conservation. Mr. C. E. E. Ussher of Montreal has been President since 1919, and will at convention.

The difference of warmth of water between Kootenay and Okanagan Lakes may be judged by the fact that steps are being taken at Kaslo to test the temperature of the Kootenay Lake, with a view to an attempt to swim across the lake about the end of this month. On Okanagan Lake the cross-lake swimming race is an annual event of the Kelowna Regatta, and it is not necessary to take any such precautions.

Damage by the recent hail storm at Summerland is estimated at about \$50,000. Probably 90,000 boxes of apples were affected, about 75,000 boxes being reduced from No. 1 to lower grades. Injury to the peach crop was not extensive. While maturing tomatoes, melons and cucumbers were destroyed, new yields of these are coming along quickly.

## WATER NOTICE

Diversion and Use

TAKE NOTICE that Land & Agricultural Company of Canada, W. F. Caldwell, R. Caldwell, H. Latta, T. Morrison, C. Nelson, N. Nelson and A. B. Connell, whose addresses are Rutland, B.C., will apply for a licence to take and use 1 c. ft. of water out of the group of springs about 500 ft. North of the centre point of Sec. 31, Tp. 27, Ssyoos Division, Yale District.

The water will be collected at that point and carried in a pipe some 5,000 ft. to the West, and will be used for domestic purpose upon the land described as Lots 19, 21, 22, 24, 26, 28, 29, 30 and 45 of Sub-division Plan made by H. H. B. Abbott, B.C.L.S., Kelowna, B.C.

This notice was posted on the ground on the 9th day of August, 1921. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon, B.C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

Land & Agricultural Company of Canada, W. F. Caldwell, R. Caldwell, H. Latta, T. Morrison, C. Nelson, N. Nelson and A. B. Connell, Applicants.  
By E. M. CARRUTHERS, Agent.

## "WEDDING BELLS"

Adapted by Zelda Crosby from Salisbury Field's play of the same title. And Reggie was good and sore. We leave it to you, now wouldn't it make you mad just when you won a bride and thought you had her all to yourself if she spent her time loving Pinkie—huggin' and kissin' him when you wanted the job yourself? Pinkie was cutting Reggie out and he sure yearned for that dog's life. You will laugh and laugh and laugh at the comic situations in this splendid picture.

FOX NEWS AND POLLARD COMEDY,

Evening, 7.30 and 9, 20c and 35c

WEDNESDAY AND THURSDAY, AUGUST 17-18  
A Cosmopolitan Production

## "THE INSIDE of the CUP"

From the novel by Winston Churchill, presenting a drama with a tremendous appeal. This is a picture that will touch the hearts of the masses. The dominant figure is that of a merciless financier, a pillar of the church and hypocrite. Intense contrast is presented in the noble figure of the rector, who comes into the lives of these hypocrites and church bigots, forming a most powerful and picturesque drama with a cast that is so perfectly typed that each one of them assumes a decided significance. Bound to create a sensation amongst thinking people. Burton Holmes' Travelogue and Pathe Review.

Evening, One Performance, 8.15, 25c and 55c  
Watch for the date of "THE FURNACE"

## Less Troublesome Adjustments

As a rule the adjustment you get on a defective tire, doesn't quite satisfy you. Mainly, we suppose, because we are all human and want a little more than we are entitled to.

But even our most private opinions on the fairness of an adjustment, can find no fault with the method of settling claims on Ames Holden "Auto-Shoes."

You are always right with ourselves and the manufacturer. We personally look after your interests. There is no needless red-tape, delay or argument in fixing our measure of responsibility and your compensation. Ames Holden "Auto-Shoes" are guaranteed against any defect in material or workmanship without time or mileage limit. They are adjusted on that basis without quibble or evasion.

## GLENMORE

The regular monthly meeting of the Glenmore Local, U.F.B.C., was held on Monday evening. Our meetings have been so very well attended that it was disappointing to see so few present. Everyone doubtless could give a reason for absence, but many of those present might have given the same. One very kind suggestion was made, viz.: that the second Monday coming so early in the month as the 8th, probably a number did not realize that the date of the U.F.B.C. meeting had arrived.

It is difficult to pick out one of our meetings without finding something of interest that repays the effort made to attend. On Monday we had a pleasurable surprise in the presence of Mr. J. W. Jones, M.L.A., and Mrs. Jones, a last minute call having brought him to give an outline of the Kootenay Power Co.'s proposed extension. This talk would have interested all. Other community matters were discussed that will be brought up at later meetings.

Our next meeting will be on Monday, Sept. 26, at a busy time for all, so if we make a note of it now, we shall be present unless sickness prevents, even though it requires a big effort.

Another successful Glenmore Dance took place on Friday evening in the Pitcairn & Stirling Packing House. Outside points were well represented and, according to comments heard from several of the visitors who had not patronized a Glenmore Dance before, it was A.I. in every respect. Our workers are thanked when they feel their efforts in this direction have been appreciated.

Those who receive the weekly News Letter from the Horticultural Dept., will have noticed that in the last Vernon paragraph it was noted that Fire Blight was "quiescent," i.e., resting. Had "quiescent" been qualified by "almost," "nearly," etc., we should not have noticed it. Therefore it is necessary to retract or substantiate the Glenmore note of last week.

There is a decided easing off of fireblight but men who are carefully watching their orchards still find it necessary to cut out new infection. Constant vigilance is required and at no time does it pay to leave it in the orchard. Why fasten the gate after the horse has escaped? Prevention is better than cure.

Mr. and Mrs. Connor motored to Vernon on Monday to meet their daughter, Miss Helen Connor, who arrived from Vancouver on Monday and is spending her vacation here.

Mr. J. N. Cushing met with what might have been a very serious accident on Tuesday just before noon. The cable used in stacking gave way; Mr. Cushing receiving a nasty blow and a cut at the side of the head. It is hoped that a few days will see him on his feet again.

The Sewing Circle meets on Tuesday next at 2.30, at the home of Mrs. J. Vint.

Several ranchers whose irrigation finished at the beginning of the week are wondering how their trees will fare this winter, as they will be going into the winter dry unless rain relieves the situation. Those ranches that are exposed to the sun's rays from sunrise to sunset have felt the long intervals between irrigations. Where a cover crop this season prevents cultivation, a quantity of water is lost before the cracks can be held together.

Merritt City Council believes in taking it easy. Owing to the hot weather, the meeting to have been held last week was postponed.

The mixed bathing at Kamloops is accompanied by rather boisterous frolics. Last week some of the young men were seen carrying young women in bathing suits along the river front by the arms and feet and ducking them in a mud bath scooped out of the sand.

A plant pathologist is being added to the staff of the Experimental Farm at Summerland. A two-story building is being erected for his use, and it is expected that he will take up immediately the study of fire blight, mildew and collar rot.

## PROPER CRATING OF LIVE FOWLS FOR SHIPMENT

(From the Weekly Report of the B.C. Markets Commissioner)

The loss incurred by the improper crating of live fowl shipped to the Vancouver market is a very serious one.

No figures are available but hardly a day passes during the warm season but shipments arrive in a pitiable condition.

The mortality is the result of two causes. Sometimes they are present singly and quite often they occur together. Inadequate ventilation is one cause; overcrowding is the other.

As regards the first, many shippers appear to have overlooked the fact that a bird is a breathing creature and must have air to sustain life. Also that beyond a maximum degree of heat, life is impossible. It is no uncommon thing for shipments to arrive contained in ordinary packing cases, no provision for ventilation being present other than the checks and cracks usually found in such containers.

It is evident that if shippers are to go through in good condition adequate means of ventilation, must be provided, and it is also evident that such means must be provided in such manner that they will be able to fulfill their purpose under shipping conditions.

The bottom of a crate usually rests on the floor of the express car during transit. Owing to limited floor space, carriers usually find it necessary to pile various packages in tiers. It is quite evident that the tops and bottoms of crates are not dependable points of ventilation.

There remain the sides and ends to be considered. These obviously are the places where ventilation should be provided.

Experience shows that crates constructed on the ends and sides with 1/2 inch by 3 inch lumber, on the top by 1/2 inch by 4 inch lumber and the bottom of 1/2 inch boards, the frame being built with 1 inch by 4 inch, is of sufficient strength to meet any demands that should be placed upon it.

Crates should be from 14 to 16 inches high in order not to cramp the birds. The slats on the ends and sides should be spaced to allow a space between them of approximately 1 1/2 inches. It is not desirable that these spaces should be wide enough to allow the fowl to extend their necks through them. The space mentioned will not allow this.

Wider spaces can be allowed between the 1 x 4s which form the top. Some shippers are in favour of the solid top as it saves the birds from losing their heads by extending them through the spaces and having other packages thrown upon them, thus crushing the heads. If the crates are made at the height suggested above, however, this would very seldom happen. On the whole the slatted top is preferable. No reasonable chance of ventilation must be lost. The top is the natural outlet for the heated and vitiated air.

In the larger crates a partition made from 1/2 inch boards should be placed in the centre and parallel with the ends. This strengthens the crate and also prevents the birds from crowding down to one end of the crate when alarmed.

Crates as described above are constantly used for the shipping of live poultry from here to Dawson, Y.T., and are very satisfactory. These crates hold from 40 to 45 birds. Those who ship in smaller lots could use lighter material. The important thing to keep in view is ventilation.

In the matter of over-crowding it is difficult to give figures. Everything depends on the size of the birds. It is just a common sense matter. Give the birds a chance. Don't use a shoe horn to fill your crates.

It should not be necessary to speak on this matter and yet unfortunately it is. Only yesterday a poultry man arrived in town with a crate of ducks and another of hens. Two hens were dead and seven ducks were in a dying condition. The backs of the ducks were rubbed bare of feathers. They were crates only by courtesy. In reality they were boxes. No sale was made and the poultry man took his birds back with the avowed intention of reviving them. He lost all of \$10.00 on the deal.

But there is another extreme which is costly to the poultry man. It is the use of crates intended to accommodate heavy shipments of birds for weight of the crate is out of all proportion to the weight of the birds contained therein and express charges on the crates, both on shipment and return, eat up a large part of the gross returns. For those who ship in small lots an investment in the proper kind of crate would bring good returns. Those who ship in varying lots should have varying crates.

WHAT A MESS!

Even from such a dry publication as Bradstreet's weekly record of business changes and legal cases occasionally a bit of humour may be extracted. The following is a list of defendants in a law action to be tried in Vancouver: Gin Wing Sig, Tom Hong Let, Gin Gu Wong Chew You, Louis Gin Bak, Eng See Lock, Yui Nging Quong, On Shung Ting, Un Yuen Chong, Hing Wah Co. Seems to be more gin than "sam sui" amongst that bunch of jaw-breakers. Gin Bak is evidently a generous Celestial who always reciprocates on a treat, but he should get out of the company of the gentleman who is ready to Chew You.

## Sports Wear that gives Individualism

Adds More Pleasure to the Game  
Because It Makes for Greater Confidence

There is an inexpressible feeling of confidence in being correctly attired when you take your stance at the "T" for a long drive down the fairway; or when you take your position at the "dead-line" or the tennis court for an ace drive.

This same feeling of satisfaction is experienced in no less a degree by those who do not indulge in these games, but who take hikes into the country; those who go horse-back riding or take any other exercise.

### FIFTEENTH REGATTA A GREAT SUCCESS (Continued from Page 1)

were made by both custodians. Shortly before the end of the period, Pentiction scored.

On resuming Pentiction kept up the attack, making repeated shots at the Kelowna goal, some of which went very wild, one of them over the top of the net. The play was very lively throughout the whole of the second half and there were some warm melees in mid-water. Kelowna laterally secured a greater share of the play and equalized with a good shot that completely beat the Pentiction goalie. No further scoring resulted, and the match ended in a tie, 1-1.

The following comprised the Kelowna team: Goal, Pritchard; backs, Jernan Hunt and J. Weatherly; half-back, W. R. Foster (capt.); forwards, A. Edwards, D. Hinkson, J. S. Boucher.

Open Standing Dive: 10, 15 and 25 feet. 1, dressing gown, J. F. Burne; 2, card table, T. Taylor, Vancouver; 3, A. Edwards; 4, E. Williams. Ten competed, and some splendid diving was done.

Four-Oared Shells, one mile: championship of Okanagan Lake. 1, individual silver cups, Kelowna—K. R. Robertson, C. Ootmar, M. de Puyfer, A. de Puyfer; 2, Vancouver—Wood Green McIntosh and Mackay; 3, Nelson—Jones, T. D. Desbriay, D. Desbriay, Armstrong. The race was rowed in a very rough sea kicked up by a heavy squall. Kelowna rowed a splendid race with Vancouver, who seemed to have the best of it for part of the way and won by about two lengths amid tremendous cheering. Nelson was considerably behind.

War Canoe: Cadets. Pentiction vs. Kelowna. Unfortunate mishaps marred this race. Pentiction got into difficulties owing to the choppy sea that was running and could not get away from the starting point, but the Kelowna crew plunged ahead into the squall and covered the course. The starters decided that there was no race and a second attempt was made later when the water had calmed down considerably. The canoes on this occasion gradually drew together and finally bumped each other. Only the boys on the outside of each craft could paddle, and the canoes travelled side by side locked together until close to the finish, when Kelowna managed to nose over the line a foot or two ahead. This race, however, was called off, and a third attempt was necessary, which Pentiction won handsily by a length, gaining one silver and four bronze medals. The Kelowna

Cadets were stroked by A. Edwards. Men's 50 yards Open Swim. 1, silver pencil, D. Hinkson; 2, marmalade jar, S.G. Baldwin, Vernon. A very close finish, won by inches. Six entries.

Home-made Canoe Race: paddled by oarsmen, 1, fishing rod, K. Black; 2, military hair brushes, G. Haug. The entries. The second boat, a very tiny cockleshell, gave the winner, which was quite a scumy canoe, a good race, losing by a length.

Four-Oared Shells: One mile. 1, Knowles' Trophy and four individual silver cups, G. E. Seon, St. G. Baldwin, F. W. Fridman and A. E. Seon; 2, J. S. Boucher, H. Bartholomew, K. Parkinson and F. Buck. Only two crews raced.

Running Spring-board Dive. 1, set bouillon spoons, C. Burtch, Pentiction; 2, set coffee spoons, W. Campbell, Vancouver; 3, A. Edwards and T. Taylor, tie. Eight entries.

Boy Scouts' Relay Swim: 120 yards. 1, four Scout knives and four Scout shirts, J. Groves, E. Williams, C. Cunningham, D. Maybee; 2, G. Haug, J. Aitken, D. McCarthy, W. Longley. Four teams competed.

Men's War Canoe: 3/4-mile with two turns. 1, Willie Piano Trophy, one gold-filled medal and four silver medals, Kelowna. The Pentiction crew paddled at a fast pace and looked to have the better of it on the first stretch, but they shot past the buoy and in attempting to make the turn too abruptly they swamped. The Kelowna crew, more experienced, made a beautiful turn and finished the course. As the winners crossed the finish the Pentiction boys, swimming lustily and carrying their paddles, cheered the Kelowna crew from the water.

Swimming Under Water. 1, pipe H. Mantle and O. V. Maude-Roxby, tie, covering about 50 yards. The winners tossed with the result that Mantle took second prize, half a dozen handkerchiefs.

One Mile Open Swim. 1, B.H.M. Cup and gold watch, L. Stokes, Vancouver; 2, Jaeger waistcoat, S. G. Baldwin, Vernon; 3, W. B. Piers, Vernon. Stokes, the powerful boy swimmer from Vancouver, swam a splendid race finishing 50 feet ahead of Baldwin, who was about the same distance ahead of Piers. The others were distanced. Of the eleven who started seven finished the course and received diplomas. They included, besides those already mentioned, Woodward, Vancouver; J. Baillie, R. Stone and R. Ennis.

Relay Swim. 120 yards. Open Challenge by Boy Scouts. 1, four Baby Ben clocks, D. Hinkson, W. R. Foster, R. Weddell, C. Weddell; 2, W. Day, C. Burtch, J. Krimmer, Ralph Weddell.

Mixed Four-Oared Shells: final. 1, four silver cups, T. Taylor, G. F. Mackay, Miss Woodward, Miss York, all of Vancouver; 2, C. Ootmar, R. Parkinson, Miss B. Buck, Miss M. Burne. An easy victory for the Vancouver crew by about six lengths.

Canoe Tilting: semi-finals and final. Seath and Watt beat Day and Robertson. Cunningham and Aitken beat DuMoulin and Groves. Seath and Watt beat Whillies and Weir. The final between Seath and Watt and Cunningham and Aitken was a redoubtable struggle, lasting until two or three "lanes" were put out of action by the vigour with which they were employed, and the tired contestants at length agreed to toss for first prize, consisting of two cushions, when Cunningham and Aitken were the lucky ones.

Fastest Gasoline Launch: 25 feet and under. 1, case of silver, "Otter," H. Leckie-Ewing, Ewing's Landing; 2, steamer rug, "Calgary," C. B. McCallum, Summerland. Four raced, the "Otter" winning by nearly half a mile.

Men's Relay Swim: 200 yards. 1, four sports jerseys, D. Hinkson, L. DuMoulin, Reg. Weddell, W. R. Foster; 2, W. Day, C. Burtch, J. Groves, C. Weddell; 3, T. Taylor, L. Hay, Ralph Weddell, H. Cunningham.

Greasy Pig. Won by J. Weatherly. The porker, thoroughly well acquainted with axle grease, was cast overboard and struck out at a round pace for the west side of the lake, proving himself an excellent swimmer, and Mr. A. Edwards, who was in charge of operations, had to head him towards shore. After an exciting chase, in which a dozen swimmers, large and small, participated, Weatherly secured the prize and towed him ashore protesting loudly against his capture.

Undressing Swimming Race. 50 yards: competitors to wear coat, shirt, trousers, socks and laced shoes, which must be taken off between start and finish of the race. 1, pr. motor gauntlets, Pat Taylor; 2, shirt and tie, F. Charriol.

Ladies' War Canoe. Pentiction vs. Kelowna: 3/4-mile. 1, fifteen silver paddles, Kelowna. The girls paddled a close and exciting race, Kelowna winning by less than a length. The Kelowna canoe had Russell Leckie at bow and A. Edwards at stroke, the Pentiction crew being similarly strengthened.

Greasy Pole. 1, two cases canned goods, J. Packham; 2, wicker table, E. Williams. There were numerous entries in this event and the antics of the competitors as they fell or sprawled off the pole in all sorts of grotesque attitudes gave huge enjoyment to the spectators.

Men's Double Sculls: final. 1, sports jerseys, G. F. Mackay and T. Taylor, both of Vancouver; 2, Green, Vancouver, and Beeston, Nelson. Won by three lengths.

Mixed Canoes: final. 1, cushions, T. Taylor and Miss Woodward, both of Vancouver; 2, R. Watt and Miss Packham.

Crab Canoe: final. 1, ukelele, R. Watt; 2, flashlight, R. Seath. The K.A.A. Championship Cup for the competitor, obtaining most points was won by T. Taylor, Vancouver, with 48 points. D. Hinkson, W. R. Foster and J. F. Burne tied for second place with 42 points each, and S. C. Baldwin, Vernon, came fifth with 38. T. Taylor and O. V. Maude-Roxby tied for sixth place with 33 each, and W. Campbell and L. Stokes, both of Vancouver, tied for eighth position with 30 each.

The prizes were presented to the winners by Mrs. J. F. Burne, immediately after completing the programme.

### RUTLAND BOY SCOUTS HOLD SUCCESSFUL CAMP

Eight Days Spent Under Canvas At Mission Creek

Favoured by ideal weather conditions, the Rutland Troop of B.P.T. Boy Scouts, under Scoutmaster E. T. Molloy, spent a very enjoyable eight days camping on the south bank of Mission Creek, a short distance below Mr. Dan Gallagher's ranch. The three patrols, the Beavers, Foxes and Kangaroos, were all up to strength, the places of the only two scouts absent being filled by recruits. The spot chosen was an excellent one for scouting purposes and some good practice was obtained. The boys placed a small dam across the creek and made for themselves a bathing pool. The only drawback to the location was the difficulty of access it presented to visitors, who were numerous, especially on Friday and Sunday.

On Monday, July 25th, the Scouts started for camp, the entire distance from the Rutland Store to the site of the camp being covered on foot by the boys while their belongings and the supplies were carried by a team and wagon. The monotony of the journey was relieved by "ambushing," one patrol going ahead and attempting to ambush the wagon, representing the "supply train." Two of the ambushes were successful and one was detected.

Here is a schedule of the average daily life at the camp:

6 a.m. Reville.  
6.30 a.m. Fifteen minutes physical drill.  
7.30 a.m. Breakfast.  
8.30 a.m. Flag-raising and camp inspection.  
9.30—11.00 a.m. Scouting Game.  
11 a.m. Bathing parade.  
12.30 p.m. Dinner. Boys free until 3.00 p.m. Troop and Patrol drill.  
3.30 p.m. Scouting practice.  
4.30 p.m. Bathing parade.  
5.30 p.m. Supper. Boys free until 8.00 p.m. Flag lowering.  
8.15 to 9.15 p.m. Camp fire.  
9.30 p.m. Lights out.

This programme was varied by a fishing trip on Thursday, sports on Friday and an entirely free afternoon on the second Monday. Friday was "Visitors' Day" and sports of various kinds were held. The Beaver Patrol, under P.L. Theodore Marr, gained most of the points, which were three for a first, two for a second and one for a third. The winners of the various events were:

75 yds. Race, 12 and under.—1, D. Harrison, Foxes; 2, F. Vanidour, Kangaroos; 3, F. Blenkarn, Foxes.

100 yds. Race, 14 and under.—1, K. Dalgleish, Beavers; 2, D. Harrison, Foxes; 3, J. Kemp, Kangaroos.

100 yds. Race, 16 and under.—1, K. Dalgleish, Beavers; 2, A. Dalgleish, Beavers; 3, T. Marr, Beavers.

Patrol Relay Race.—1, Beavers; 2, Kangaroos.

Tug of War.—Foxes.  
Standing Jump.—1, G. Mugford, Foxes; 2, A. Dalgleish, Beavers; 3, J. Kemp, Kangaroos.

Running Broad Jump, 14 and under.—1, K. Dalgleish, Beavers; 10 ft. 6 ins.; 2, J. Kemp, Kangaroos; 3, E. Stafford, Kangaroos.

Running Broad Jump, 16 and under.—1, G. Mugford, Foxes, 13 ft. 3 ins.; 2, T. Marr, Beavers; 3, E. Stafford, Kangaroos.

The points when totalled were found to be: Beavers, 26; Foxes, 22; Kangaroos, 13.

The enjoyment of the day was greatly enhanced for the boys by an "ice cream issue" from the contents of a freezer kindly sent by the Ladies Aid of the Rutland Methodist Church.

The break-up of camp, planned for Monday, August 1st, had to be postponed until Tuesday, much to the boys' regret (?), on account of difficulties in the way of transportation. On the return, the journey was again accomplished on foot, the boys arriving at the store on scheduled time, still going strong and showing little or no signs of fatigue. The Scouts were all treated to ice-cream at the W. I. "parlour," on their arrival, for which kindness they have the thoughtfulness of Mrs. J. Wallace to thank.

The Scoutmaster and Scouts wish especially to thank Rev. Frank Stanton for several motor trips with supplies and the various friends who helped to keep the larder stocked, also Mr. W. H. Ford for the loan of his excellent marquee.

Mr. Lorne Campbell, Manager of the West Kootenay Power Co., paid a short visit to town on Friday. He made the statement that construction of the power line to Kelowna will be commenced at an early date so as to complete the mountain sections before the snow becomes deep. The portion at lower altitudes will be constructed during the winter, and it is hoped to have the line into Kelowna by March 1st. It will parallel the Kettle Valley Railway from Pentiction to the nearest point south of town and will then drop down the mountain side, making a bee-line along Pendozi Street. The line will be carried to Vernon probably through Glenora and at a voltage of 20,000 instead of the 60,000 at which the power will be conveyed from Pentiction to here.

### E. W. WILKINSON & CO.

Established 1893.

REAL ESTATE AND INSURANCE  
Corner Bernard Ave. and Water St.  
Phone 254

See our list of City Residential Properties.

Be prepared against Fire. Insurance is the only protection.

### WESTBANK

T. Drought and H. Jones, Patrol Leaders of the Westbank Boy Scouts, made a business trip to Kelowna last Saturday to buy Scout uniforms for the Troop.

Miss Jean Brown, who had been visiting Mrs. Featherstonhaugh, of Kelowna, arrived home last week.

Plums, peaches and summer apples are moving fast, and the packing houses are working early and late.

A party of Westbankers motored south on Sunday.

The Boy Scouts of Westbank have received some of their badges which were presented to them at the last Scout meeting.

Mr. Sidney McKay, accompanied by Herman Smith and George Brown, made a business trip to Kelowna on Saturday.

The weekly picnic was held at the lake on Saturday and was better attended than previous ones, but there were no startling events as at the other picnics.

Mr. Alex. Nicol has started to build a garage, so the town is growing somewhat, also Hewlett brothers are building a large residence on First St., East.

Mr. Washington Brown paid a business visit to Kelowna on Saturday.

Mr. I. L. Howlett, who had been over at Kelowna arranging the plans for the new room which is to be built onto the school here, arrived home on Friday with all the plans, and we expect the work to go on very shortly.

A party of young people motored down to the ferry wharf last Sunday night to see the big fire. From the ferry they could see the fire from as good a place as one could wish, only they were wishing they could have got across.

The unveiling of the War Memorial took place on Thursday, August 4th. At two o'clock, the Kelowna buglers sounded "Fall In," and from every corner came Scouts and veterans of all ages, including men who had served in the Fenian Raids, the Red River Rebellion and the Riel Rebellion, and fell into line in front of the store, whence they marched to the monument, which is situated on the cross-roads of the town.

The chairman, Mr. Gore, first called upon Mr. J. M. Jones, who gave a very interesting address. The next speaker was Mr. J. W. Jones, M.L.A., who clearly explained the cause of the Great War and traced its progress. Rev. F. Coad also delivered an interesting address. Thanks to their training by Miss N. McIntosh, the children sang. Miss Aimee McKay recited "In Flanders Fields" in fine style. The most thrilling event of the programme was the rendering of "Last Post" by three buglers, Scouts Ball, Balsille and McCarthy, of Kelowna. It was played exceedingly well, and the Westbank people praised the Kelowna Scouts highly for lending the aid of their buglers, to make the occasion a success.

The unveiling of the monument was performed by Major Tailyour, who gave an appropriate address. Flowers were then placed on the memorial and "God Save the King" was sung, bringing the ceremony to an end.

A party, including the Boy Scouts, motored to Kelowna on Sunday last to be present at the unveiling of the Kelowna memorial. It was very fine of Scoutmaster Weddell to ask the Westbank Troop to join in with the Kelowna Scouts on this occasion.
